STATINTL

You requested recommendations concerning House Resolution 205, in which a number of questions about Chile are put to the Secretary of Defense.

House Resolution 205 gives us no problems. It covers the tenure of Allende's presidency and the coup and questions concerning CIA can be answered "no."

Obviously we hope Defense will not respond, as this would constitute a precedent for response to House Resolutions 206 and 207 which are replete with questions concerning Agency activities.

Chief, LAD
